

MAXXFAN Deluxe

THE RV VENT WITH BUILT-IN RAINCOVER

The MaxxFan Deluxe is the ultimate RV vent, offering unique features that you always dreamed of:

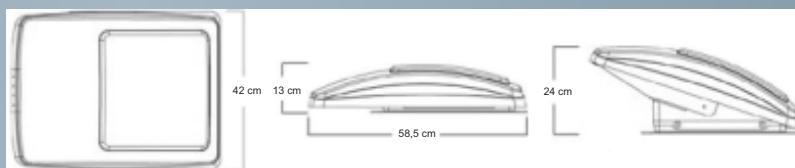

The MaxxFan Deluxe can be used for air Intake and Exhaust (lid open) but also in Ceiling Fan mode to circulate air when the lid is closed.

The unique patented Rain Shield protects your RV's interior when the lid is open, even when you are driving.

The Electronic Thermostat allows you to set the desired room temperature.

The MaxxFan Deluxe is equipped with a long life sealed ball bearing motor, twin lifting arms, a removable insect screen, an easy to read remote control with backup controls at ceiling and a lid opening knob that allows manual closing if your RV loses 12 volt power.
